Group thinking – meetings of action-research

The meetings involve some teacher that participate in RISE, social workers, researchers and interns of the University of Bologna with the aim of collectively thinking on issues related to good practices of school inclusion.

GROUP A

- 7/11/2018 at IC 10 (“Besta” school) from 16.00 to 18.00
- 30/1/2019 at IC 9 (“Guercino” school) from 16.30 to 18.30
- 6/03/2019 at IC 10 (“Besta” school) from 16.30 to 18.30

GROUP B

- 14/11/2018 at IC 4 (“Panzini” school) from 16.00 to 18.00
- 20/02/2019 at IC 14 (“Volta” school) from 16.00 to 18.00
- 11/04/2019 at IC 4 (“Panzini” school) from 16.00 to 18.00

Workshops in the classes that participate in RISE

- Digital story telling workshop “A letter to Europe”

The aim of the workshop and the work of the students will be of writing a letter to Europe on issues related to diversity, mutual respect and inequalities using multimedia software (online and/or offline) and the web.

Lead time: 3 meetings of 2 hours each one

- Workshops at the choice of the teacher

. “An artisan at school...” workshop

The aim of the workshop is to let the students know about an artisan and his work, involving the class in practical activities and the discovery of “new” and lesser known professions (possible artisan to be involved in the workshops: *sfoglino*, seamstressers, circus actor).

Lead time: 2 meetings of 2 hours each one and one school trip of half a day.

. “Hip-hop philosophy” workshop

The workshop aims at deepening the hip-hop culture as a tool to go beyond the racial and cultural barriers, and develop the communication skills of the students through exercises of writing and rhyme improvisation.

Lead time: 14 hours in total for each class (4 meetings of 2 hours each one, 5 hours of recordings and 1 hour of restitution).

. Theater workshop
